VERTILIFT AFRDI CERTIFICATION

The following components are AFRDI certified:

- 2-Leg Frame
- 3-Leg Frame
- Back-to-Back Frame

Under the Blue Tick Product Certification these components are certified for:

- General Safety
- Strength and Durability
- Stability
- Dimensions

Certificate No.

14255/1

Nominal Expiry

15 March 2024

The following Vertilift package components are not AFRDI certified:

- Straight/Corner tops
- Cable Tray
- Screen / Screen Brackets
- Cable Chain
- 90 Degree Leg
- Any other accessories pictured in package images

VERTILIFT ELECTRICAL COMPONENT CERTIFICATION

The electrical components included in 2-Leg, 3-Leg and Back-to-Back Vertilift Frames are certified by 'Global-Mark' in accordance with the Global-Mark Electrical Product Safety Certification Scheme.

Certificate No.

GMA-507385

Expiry date

01 June 2025

This certification is in accordance with the following standard:

"AS/NZS 60335.1:2011 including A1 - 4 Household and similar electrical appliances - Safety - General requirements"

WARRANTY INFORMATION

Warranty claims for all products should be directed to the distributor from which the product was purchased from. Proof of purchase must be provided with any warranty claim, along with full details of the defect and any further documentation requested e.g. photographs.

Vertilift... Excellence in motion

Vertilift products are sold with a warranty period of 5 years from date of purchase to the original purchaser. This covers the following:

- Failure of electronic components (lifting mechanisms/motors, control boxes and handsets)
- Missing/damaged components at the time of delivery acceptance
- Manufacturing defects including materials and workmanship
- Defects and/or loss in the functionality of the lifting mechanism

The 5-year Vertilift warranty does not cover the following:

- Wear and tear of the Vertilift frame and/or accessories caused by accident, abuse, misuse, water, flood, fire or other acts of nature and external causes.
- Damage incurred during self-assembly due to failure to adhere to relevant assembly instructions provided.
- Damage caused to the Vertilift frame and/or accessories as a result of self-modification or relocation.

This warranty guarantees the replacement of damaged/faulty components only and does not include full replacement of the frame unless determined necessary by M&R Commercial Furniture Pty Ltd.

KIS2 Steel

KIS 2 Steel Pedestals are sold with a warranty period of 5 years from the date of purchase to the original purchaser. This covers the following:

- Missing/damaged components at the time of delivery acceptance
- Manufacturing defects including materials and workmanship
- Defects and/or loss in the functionality

This warranty does not cover the following:

- Wear and tear caused by accident, abuse, misuse, water, flood, fire or other acts of nature and external causes.
- Damage caused as a result of self-modification or relocation.

This warranty guarantees the replacement of damaged/faulty components only and does not include full replacement of the product unless determined necessary by M&R Commercial Furniture Pty Ltd.

Stella products are sold with a warranty period of 3 years from the date of purchase to the original purchaser. This covers the following:

- Missing/damaged components at the time of delivery acceptance
- Manufacturing defects including materials and workmanship
- Defects and/or loss in the functionality

This warranty does not cover the following:

- Wear and tear caused by accident, abuse, misuse, water, flood, fire or other acts of nature and external causes.
- Damage incurred during self-assembly due to failure to adhere to relevant assembly instructions provided.
- Damage caused as a result of self-modification or relocation.

This warranty guarantees the replacement of damaged/faulty components only and does not include full replacement of the product unless determined necessary by M&R Commercial Furniture Pty Ltd.

Stateline extends warranty for a period of 3 - 7 years from date of purchase to the original purchaser. Warranty periods for each Stateline chair are detailed on product pages including AFRDI certifications/ratings. There is a warranty label under the seat which shows the manufacturing date. Warranty is void if this label is removed.

Stateline warranty covers the replacement of faulty or defective components and workmanship only. This includes mechanical or structural breakdown, faulty workmanship and loss of functionality. This warranty guarantees the replacement of damaged/faulty components only and does not include full replacement of chairs unless determined necessary by Stateline.

Modification, misuse, stains or blemishes after accepting delivery of a product will not be covered by warranty. Normal wear and tear or damage determined to be caused by the end-user through misuse shall not be covered. Similarly, fabric on the seat or backrest shall not be covered against wear.
